I give permission for my child, \_\_\_\_\_, to participate in the crew program at Washington-Lee High School. I agree to docksit, work at one or more regattas, pay the crew dues and participate as a family in the team's fundraising events, including mulch sales, car washes, letter-writing campaign, etc. The fund raising goal is a minimum of \$400 for returning rowers and \$100 for first year rowers. (This requirement is in addition to the team dues.) My rower will attend practices and regattas regularly. We understand that such participation is crucial to the team's success.

I understand that Arlington County and the W-L Crew Boosters assume no liability for injury or damages arising from participation in crew. I further understand that the sport of rowing involves risk of serious injury, permanent injury and death. I give permission for the W-L Crew Boosters to publish contact information in a Crew Directory distributed to team families, and to include my child's name on the team roster and in press releases and promotional materials.
